SHORT PROGRAM

AMERICAN SOCIETY
FOR GRAVITATIONAL AND
SPACE BIOLOGY

TWELFTH ANNUAL MEETING
October 23-26, 1996
Radisson Plaza Hotel
Charlotte, NC

***** Wednesday, October 23, 1996 *****

3:00 - 9:00 p.m. Registration
6:00 p.m. Set up Posters
6:15 p.m. Long Range Planning Committee Meeting I
7:00 p.m. Student Mixer
8:30 p.m. ASGSB Governing Board Meeting I

***** Thursday, October 24, 1996 *****

7:00 a.m. Registration Opens
8:00 - 8:10 a.m. Welcome, Jackie Duke and James Martin
8:10 - 10:15 a.m. Session A: Symposium: International Space Station
10:15 - 10:35 a.m. Break
10:35 - 12:15 p.m. Session A: Symposium: International Space Station (cont.)
12:15 - 1:45 p.m. Lunch; Workshop: "Development of College-level Course on Space Biology and Human Exploration of Space"
1:45 - 3:30 p.m. Concurrent Oral Session
Session B: Animal Studies: Ground-based I
Session C: Plant Studies: Ground and Flight
3:30 - 4:40 p.m. Session D: Concurrent Poster Session I
Student Poster Competition
Student Life Sciences Training Program I
4:40 - 5:50 p.m. Session E: Concurrent Poster Session II
Student Poster Competition (continued)
Student Life Sciences Training Program II
7:00 - 9:00 p.m. Reception
9:00 p.m. Space Biology Research Associates Annual Meeting
**** Friday, October 25, 1996 ****

7:00 - 8:30 a.m.  Long Range Planning Committee Meeting II (Breakfast)

8:35 - 10:00 a.m.  Session F: Symposium: Use of Small Payloads for Spaceflight Experiments

10:00 - 10:15 a.m.  Break

10:15 - 11:30 a.m.  Session F: Symposium: Use of Small Payloads for Spaceflight Experiments (cont.)

11:30 - 1:00 p.m.  Lunch; Education, Publications and Public Affairs Committee Meetings

1:00 - 2:30 p.m.  Session G: Spaceflight Experiment Results I

2:30 - 3:00 p.m.  Break

3:00 - 4:30 p.m.  Session G: Spaceflight Experiment Results I (cont.)

4:30 - 6:00 p.m.  Session H: Concurrent Poster Session III
  Animal Studies: Ground-based II
  Biotechnology I
  Plant Development, Growth and Genetics I
  Plant Gravity Perception I
  Spaceflight Experiment Results II

6:30 - 9:00 p.m.  Banquet/Business Meeting/Awards Presentation

9:00 p.m.  ASGSB Governing Board Meeting II

**** Saturday, October 26, 1996 ****

8:00 - 9:55 a.m.  Session I: Halstead Symposium: Advances in Space Biology Animal Research

9:55 - 10:15 a.m.  Break

10:15 - 12:10 p.m.  Session J: Halstead Symposium: Advances in Space Biology Plant Research

12:10 - 2:00 p.m.  Lunch; Workshop: "Space Biology Experiments in the Classroom Using Fast Plants"

2:00 - 4:00 p.m.  Concurrent Oral Session
  Session K: Plant Studies: Ground-based
  Session L: Animal Studies: Structural Systems and Development

4:00 - 5:30 p.m.  Session M: Concurrent Posters IV
  Animal Studies: Ground-based III
  Biotechnology II
  Plant Development, Growth and Genetics II
  Plant Gravity Perception II
  Spaceflight Experiment Results III

7:00 - 8:30 p.m.  Session N: Saturday Night with International Space Station
